

What is Safe Home?

The **SAFE HOME Program** is used by many schools to assist parents in their efforts to prevent teenage drug and alcohol abuse. It provides an avenue for parents to communicate with one another and to share mutual concerns.

Devon Prep, in support of parents, is offering the opportunity for you to participate in this program.

Filling out, signing, and returning the Safe Home Statement is your commitment to providing a "safe" environment for your sons and their friends - one free of drugs and alcohol.

Responses received after 31 July will not be noted as a safe home in the Devon Preparatory School Directory for the Academic Year 2009-10.

We welcome your questions, comments and suggestions. Please direct all responses to Mrs. Denise Gavin, School Nurse and member of Devon's Student Assistance Program. Mrs. Gavin may be reached at 610-688-7337 ext. 112.
