

Summer Assignment 2020 (for students going from Spanish I to Spanish II)  
Devon Prep

- I. You guys did a great job in Spanish I. We learned a ton of vocabulary! It is important that that knowledge does not all disappear over the summer. To practice the most important verbs we learned, review the 75 verbs listed in this Quizlet:  
[https://quizlet.com/\\_8ehgeo?x=1jqt&i=2isfkl](https://quizlet.com/_8ehgeo?x=1jqt&i=2isfkl).
  
- II. We also learned a number of different verb conjugations -- the present tense, the present progressive, and the preterite (past tense). You all did a great job with them, but we don't want you to forget them over the summer! Therefore, complete each of the four following conjuguemos activities at least **two** times each. This is a challenge! For each activity, try to answer at least **70** verbs in **ten** minutes at an **80%** (or better) accuracy rate. *DO NOT change the settings*, or you will not receive credit. Then, do the same activity **AGAIN** a week later and see if you can beat your score!
