

***"Give thanks to the Lord, for he is good; his love endures forever."
Chronicles 16:34***

Dear Devon Prep Community,

Our FAMILY is truly unique and continues to amaze me day in and day out. I am proud of the young men that attend this school. I am honored to have Alumni who go out into the world and make a difference. I am grateful for the families and friends of Devon Prep who all make this school such a special place. Together we have faced challenges and together we have excelled.

Reflecting upon this past school year, I am more thankful than ever before for the support we have received from our Devon family. The resilience and dedication to serving the young men of Devon Prep is unmatched and so pure. There were many difficult and disrupting days last school year, and those pains were felt by parents, students and faculty equally. At times, it seemed as if there was no relief in sight. However, the satisfaction of seeing our seniors enjoy their trip to Virginia Beach, their Bring the Beach to Devon Cut Day and of course their Commencement, made all those difficult days well worth it.

The Piarist values - humility, patience, community, honesty, charity - guide us everyday. As a community, with technology advancing, it is most important to focus on human interaction. As we enter this new school year, our emphasis is on normalcy and providing a caring environment in which our students can best succeed in every phase of their life and grow together as a family.

We must always keep focused on strengthening our Devon family. The bible tells us "how good and pleasant it is when God's people live together in unity" (Psalm 133:1). We must remember, where there is unity, there is strength. TOGETHER we can achieve great success and happiness.

The world will always be changing around us, but faith, hope, and love will continue to exist and have true presence at Devon Prep. I thank you all for believing in us and what we do here on a daily basis. Your support is a powerful reminder of the importance of educating our youth and helping them learn how to make a positive IMPACT not only at Devon Prep but in our world.

With Thanks,
