

“You will be enriched in every way to be generous in every way, which through us will produce thanksgiving to God.” - 2 Corinthians 9:11

Dear Devon Community,

We open the 2022-2023 school year with 324 boys. Once again, a new enrollment high for our school! I am proud of the progress we have made since 2015. Some of that progress is visible everyday - Renovated 1960's Classroom Building, The Devon Creative Suite, and our new classroom accommodations throughout our campus buildings. The newest addition is underway now, as we have broken ground to upgrade our Athletics Field and build an indoor Training Field House.

What isn't as visible is what we have done to the product for the students. As most of you know, we are known for our strong academics, but our students have many sides and your donations have allowed us to provide them with the most robust and well-rounded curriculum, taught by the most engaged and accomplished faculty base we have ever had.

We have never wavered in our commitment inside the classroom but also strive to provide the best experience outside the classroom as well. We need to do it all, we do it well, and your future support will insure our ability to keep doing it.

Gone are the days where a donation to Devon Prep might go to simply keep the doors open or the lights on. One may only need to drive past our campus to see immense signs of progress and pride. YOU have helped us position ourselves for sustained long term success, which means every student that comes to this school receives the absolute best holistic education that we can provide. We strive to provide a world-class education and our students and families have come here for that and most importantly leave here receiving that.

You do not have to take my word for it, come back to campus. See for yourself where your support has gone and hear about where your future support will benefit the Devon Prep students of today and tomorrow.

To maintain this positive momentum, even considering the state of the world over the past few years, would not have been possible without the generous and gracious support that you have given to our Annual Fund throughout that time.

I call on you to support us again this year, and every gift, no matter how small, has an outsized IMPACT at Devon Prep.

Thank you for being an active member of our Devon Prep Family and God Bless.

With Thanks,

A handwritten signature in blue ink that reads "Francisco J. Aisa". The signature is fluid and cursive, with a horizontal line under the last name.
