

Poised for the Future

HONOR ROLL OF DONORS | PLANNED GIVING

Planned Giving—The Calasanctian Society

Devon Prep established the Calasanctian Society to recognize and honor those who have shown their commitment to Devon Prep through a very special and important form of financial support. These donors have named the school as the ultimate beneficiary of a planned gift by including Devon Prep in their estate plans. You can provide ongoing support to Devon Prep by including the school in your estate planning. You can make a gift commitment now, but delay delivery of the gift until a later time. Planned gifts help to guarantee our future financial strength without affecting your current asset balance or cash flow. We direct gifts made through bequests to Devon Prep's permanent endowment, but they can be directed to another use if you wish. If you have any questions about making a planned gift to Devon Prep, please contact your financial advisor or you may contact the school for more information.

We recognize the following as members of the Calasanctian Society, whose thoughtful generosity helps to insure Devon Prep's future. If you have included Devon Prep in your will and your name is not listed below, please contact the Development Office so that we may honor your intentions.
