

The Devon Prep cafeteria offers a variety of freshly prepared entrees and menu options made daily by our chef, John Familetti, and his team. *Deli Sandwiches, Fresh Fruit, Salad Bar, Hot Breakfast Selections, Fresh Bakery Items (delivered daily), Homemade Desserts and Cookies, Packaged Snacks, Ice Cream* and a selection of *Beverages* are available for *Grab and Go* each day.

Foods prepared in our kitchen will not contain nuts, however, some products and or ingredients that are purchased may come from factories where nut products are produced. If your son has food allergies, please use caution when ordering. You may contact us should you have any questions about ingredients. We will offer gluten-free options whenever possible.

PROCEDURES FOR CAFETERIA/LUNCH ORDERING

- Students may purchase *Grab and Go* breakfast items and snacks starting at 7:30 and during advising period. These items include baked goods, bagels and drinks. Hot breakfast items are available during advising period.
- Daily lunch entrees must be pre-ordered using the electronic menu that is sent out the week prior. *Grab and Go* sandwiches, salads, drinks and snacks are available everyday a la carte and do not require pre-order.
- The lunch menu form is sent every Tuesday to students via Schoology and to parents via email. When filling out the form, your son's email and name must be used on the form, please do not use a parent email address. Your son will receive a confirmation email with what he has ordered for the following week. We encourage you to allow your son to fill out the menu. If you choose to do it for him, again, you must fill out his information on the form so that he knows what days and items have been ordered.
- Lunch Menu forms must be submitted no later than Friday at noon the previous week. If your son does not submit a form, he is unable to purchase the hot lunch items that week. Should he need lunch, *Grab and Go* items are available daily as mentioned above.
- Student accounts are charged at the point of sale. If a student is absent from school, he will not be charged if he pre-ordered lunch for that day. If he is in school and neglects to pick up his lunch, the account will be charged.
- Students must have their ID each day to make purchases in the cafeteria. In the event that he has forgotten his ID, he may pick up his lunch if he has ordered the hot entree, but he may not make any other purchases that day.
- Lunch accounts must remain current. In the event that the account goes into arrears, you will receive an email notification. Accounts that remain in arrears will be closed until funds are replenished. Students will be unable to make purchases if the account is closed.
